

Washington, July 26.—(P)—General Malin Craig, 68, army chief of staff from 1935 to 1938 and a president of the department's personnel board during World War II, is dead. Craig died yesterday in Walter Reed Hospital where he had received treatment since suffering a heart

## Cherry Pickers Enjoying Life In Camps Along Lake Erie

Another week of cherry picking has begun with practically as much enthusiasm as last week. The girls at McCord's Camp picked 37,611 pounds of cherries for the week. The highest pickers for the week were Jean Jones, Barbara Cochran, Bertha Gustafson, Charlotte Jordan, Dorra Messner, Carol Nelson, Ann Saylor and Mary Wendelboe, with Jean Jones leading with 1,008 pounds to her credit.

The picking may not last longer than this week and we think that the girls will be through and ready to go home late Sunday afternoon.

Last Sunday, thirty of the girls, accompanied by Miss Anderson, attended the church services of the First Presbyterian church. Members of the church came to the camp and took the girls in. Rev. Edward R. Rein is the minister of this church and gave a very fine sermon on "The Church's Unequaled Opportunity Today." In the evening he came out to the camp and vesper services were held outdoors under the trees. In preparation for this girls prepared two songs as their contribution to the service. During the afternoon many visitors from Warren came to see the girls and the camp.

Hamot hospital reports Miss Ruth Davis as well on the road to recovery. The girls in cabin three sent her three books of fiction which she will probably be able to read before she leaves this week.

Patty Allmendinger, from camp in two, has set up a barber shop and is doing as well financially in the hair cutting business as in cherry picking. It is surprising what talents show up in a group like this. Parents of these young ladies may fail to recognize their daughters when they return, not only from the hair-cutting standpoint, but from the physical angle. Brown bodied windblown hair (thanks to Patty) and some additional pounds make an attractive picture.

Some of the girls have gone to different orchards this week while others have remained in the original ones. The girls are now picking for Mr. Arthur Bemiss, Mr. Richard Page, Miss Bina Carr and John McCord.

Mr. Russell Page, who had a group of twelve girls last week, was so pleased with their work that he brought in a watermelon Monday noon for their dessert at lunch time, and is taking this particular group into North East next Thursday evening to see "National Velvet." He also recommended them so highly that his brother let some of his pickers go in order to get these same girls to help him this week.

Last night (Monday) John McCord took his group of girls for a motor boat ride, which they certainly enjoyed. This morning Mr. Winans received a call from North East stating that practically all the cherries are picked and that it would be best to send one bus over and bring 29 of the girls back. The bus will arrive at the Warren post office at 5 p. m. this afternoon.

### Personal Paragraphs

Mr. and Mrs. Paul Olson and daughter, Roberta Ann, of Milton, vacationing with relatives in Jamestown, spent last evening in Warren, greeting a number of old friends at the home of Mr. and Mrs. T. H. Conway, 513 Fourth avenue.

Mr. and Mrs. D. S. Olmstead, of Odessa, Texas, are staying at the Allegheny Hotel while the former, working for the Hammond Iron Works, awaits an assignment to Paulsboro, N. J.

Mr. and Mrs. Robert J. White, of Sodas, N. Y., formerly of Warren, are visiting the former's father, Fred G. White, Union street.

## URGENT: Uncle Sam Needs Shipyard Workers

Repairs for warships that are battle-damaged, or just overworked, rate "top urgency" with the Navy. Ships are being driven under pressure that no fleet ever before experienced. Destroyers designed to be overhauled after 40,000 miles at sea have been in continuous service for 250,000 miles. Ships normally under way 30 per cent of the time have spent three-quarters of the time at sea. The problem of repair and maintenance is complicated by a severe shortage of skilled shipyard workers. If you have usable mechanical skills, tell your local U. S. Employment Service about them.

## Mangus Home Looted With Heavy Loss

While Mr. and Mrs. Nick Mangus, 11 Melrose Place slept soundly Tuesday night their home was entered sometime after 1 o'clock in the morning and valuables worth at least \$2000 were taken. The heaviest loss is two handsome diamond rings one containing a stone of one carat size and the other a half carat stone. Valuable sterling silver was taken together with a goodly sum in cash.

Mr. and Mrs. Mangus live in the last house in Melrose Place and at the rear the lots are enclosed with high board fences. Their doors were all unlocked and the thief or thieves entered presumably from a door leading into the dining room. The rings were in a china closet where Mrs. Mangus had placed them on Tuesday while doing her laundry. One ring of white gold set with a carat stone surrounded by eight smaller diamonds. The other was also of white gold set with a half carat diamond and two blue stones. Of the sterling silver taken there were 12 teaspoons in a tarnish proof container, six knives, six forks and six salad forks.

Twelve ration books were also taken together with 12 "B" gas coupons and also an "A" coupon book. Two cartons of Lucky Strike cigarettes were also taken. A \$20 bill and a \$5 bill in a government envelope are also missing with \$10 in five and one dollar bills and \$11 in dimes that were in a jar.

Mr. and Mrs. Mangus retired about 11:45 on July 24 but did not fall asleep until shortly after 1 o'clock both having heard the clock at the court house strike, the next morning when a package of cigarettes, which were in the discovery of the robbery was made pocket of a coat which had been left hanging over the back of a chair, were found missing. Then it was found that the two cartons of Lucky Strike cigarettes were taken and search disclosed the other articles had been taken.

Police were notified and are making an investigation. Drawers about the home show that they had been entered but they had been to show how generally the home had been ransacked. Police carefully closed and there was lit as yet without a clue and this afternoon are checking for fingerprints.

## Two Escape In Plane Crash Near Tidioute

Two men from New York state escaped injury when a Piper Cub owned by Dexter Skyways, Inc., of Olean, N. Y., made a forced landing about seven o'clock last evening in a field alongside Route 62, about a quarter of a mile below Tidioute.

The plane was operated by Nathan D. Ayers, of Wellsville, N. Y., who was accompanied by a student, Stanley Lyon, 108 South Fourth street, Olean.

Ayers told Pennsylvania State Police he was forced to land because of motor failure and in landing his machine struck a ditch. Damage estimated at about \$80 included a broken propeller and left landing gear.

### AUTOMOTIVE HINT

Do not run your automobile motor with the fan belt too tight. It should have only sufficient tension to keep it from being thrown off the pulleys when the motor is run at high speed.

### Personal Paragraphs

Major and Mrs. J. W. Baggs, in charge of Camp Complanter for the Salvation Army, were in town on business yesterday, guests of the Adjutant and Mrs. Arthur Bradenburgh.

Josephine Moll and Jean Klenck are visiting Mr. and Mrs. John Niedzialek at Chautauqua Lake.

Mrs. K. W. Davis, East Third avenue, went to Erie yesterday to bring home their daughter Ruth, who has been a patient in Hamot Hospital following an emergency appendectomy.

George Rukash, of Spring Creek, was injured yesterday while working for the Pennsylvania Railroad Company, receiving a fracture of his right foot when a tie fell upon it. After he had been x-rayed at Warren General Hospital, a cast and walking iron were applied and he was discharged.

Alex Jones, of Starbrick, was admitted to Warren General Hospital for surgery on Wednesday after he had suffered a traumatic amputation of the index and middle fingers on his right hand at the G. G. Greene Metal Stamping Company plant. He is reported to have caught two digits in a punch press.

I. A. Reed joined the "early bird club" Wednesday when he picked the first ripe tomato in the garden of his daughter, Mrs. A. L. Stevens.

Richard Gray, son of Mr. and Mrs. Paul Gray, 4 Biddle street, will leave this evening for New York City where he will visit friends.

Harry H. Crosby, Jr., has returned to Kenmore, N. Y., after spending several days here with his parents, Mr. and Mrs. Harry H. Crosby, 610 Pennsylvania avenue, west.

## Sailor Steals Danas Car and Cops Get Him

Good work on the part of Patrolman Earl McEwen, of the Jamestown Police Department resulted in the recovery of the Buick automobile of Harry Danas, proprietor of the Cozy Corner at Jamestown yesterday at 4:30 p. m. The car was stolen Tuesday night after midnight from the parking lot of the Pennzoil Gas Station on Market and Pennsylvania avenue.

Soon after the car had been stolen a flash was placed on the police teletype and officers in all neighboring towns were notified. Soon after the car had been taken it was reported to police that a man wearing a sailor uniform had been seen around the car. Later it was reported he had started it, stalled the engine but finally got it rolling.

At the time of the arrest two men were in the machine. One gave the name of Glen Hulings, formerly of the South Side, Oil City but now in the U. S. Navy, the other Stanley Abbey, of Jamestown. Hulings in a statement to the police exonerated Abbey of any blame in the theft.

According to the story told to the police officers Hulings had gone to Jamestown Monday, July 23 to visit Scott Glenn, an old time friend. The two had been drinking together and finally Hulings decided to come to Warren. Arriving at Warren he met a couple of Marines from the Warren area. Later after taking the Danas car he drove one marine to his home about three miles out of town. Then he parked the car and went to sleep. Awakening about 6:30 a. m. he drove through Warren and went to Jamestown. Again he went to Scott Glenn's house and later with Stanley Abbey to

### Captain Given Bronze Star In Heroic Action

Captain Victor E. Gentilman, a brother of Miss Betty Gentilman, state nurse here, was awarded the Bronze Star Medal for heroic achievement in connection with military operations against Japanese forces on Luzon on May 1, 1945. The citation accompanying the decoration explains that after attacking the command post installation of Captain Gentilman's battalion, the enemy set up two heavy machine guns and, taking advantage of their position, they began firing directly into our troops with machine guns and knee mortars. One mortar round hit directly above a foxhole, wounding one man and killing another. Hearing the wounded man's stricken cry for help, Captain Gentilman left his position of safety and ran 50 yards to the wounded man's foxhole in the face of machine gun fire concentrated upon him.

Upon reaching the wounded man, he administered first aid and used his own body to shield him from further fragment wounds until the enemy forces could be given off. Captain Gentilman's heroic actions and coolness under fire were instrumental in saving a wounded man's life, were an inspiration to all who observed him, and were in keeping with the highest traditions of the military service.

### JAPAN MUST "SAVE FACE"

DeWitt MacKenzie, Associated Press Foreign Affairs Analyst  
The mystery of the moment—whether Russia is coming into the war against Japan—has brought me the intriguing suggestion that if Moscow should make this move, or even threaten to do so, it might give Nippon exactly the excuse she needs for surrendering without too much loss of face.

This thought comes from my colleague, Victor Eubank, now as Associated Press financial columnist but formerly AP chief of bureau in Tokyo, and incidentally also one-time chief of bureau in Moscow. He points out that with the Soviet Union's entrance into the conflict the Japs could manufacture the excuse:

"We could have beaten America and Britain all right, but no nation in the world could stand up against the American-British-Russian combination. So we are surrendering rather than subject our country to this effort."

Face-saving is an item of moment in the life not only of Japan, but of the whole Orient. It is an obsession of all ranks, from the coolie to the emperor and to the state itself. Loss of face is one of the worst things that can happen to the individual or to the country as a whole.

Japanese generals and admirals commit hari-kiri to "save face", after they have "dishonored" their emperor by failing to achieve the task to which they are assigned. Guards are maintained about the crater of the extinct volcano of Fujiyama to prevent Japs from jumping into the bowels of this sacred mountain to save face.

It all adds up to the certainty that the mikado's government and the military chiefs will strain every nerve to find a face-saving expedient before surrendering. On that basis it may be that a Russian threat, or declaration of war, would indeed provide the necessary incident.

We ought to know soon what Marshal Stalin has decided. We learn through an Associated Press dispatch from Potsdam that the belief prevails in sources close to President Truman that he has achieved a substantial accord with the Russians on impending developments in the Japanese war. What that accord may be is left to the imagination.

### A DIFFICULT JOB WELL DONE

Most Americans are prepared to join enthusiastically now in seconding the statement that the Women's Army Corps has made an outstanding contribution to the victory already gained, as well as to the victory still to be gained in the global war.

This attitude has not always prevailed. More than a little skepticism existed when the organization was in the formative stages. More than a few people didn't like the idea of trying to make soldiers out of women. Ridicule was not uncommon. The WAC—or the WAAC, as officially designated originally—definitely was in the position of having to prove its value.

Most people are now ready to agree that the organization has done just that. It has proved itself very much worthwhile. Some of the most lavish praise for the organization has come from "hard-bitten" Army men who, in many cases, made no secret of prejudice at the outset.

If the WAC has proved itself—as we think it has—then no one can deny that a large share of the credit for whatever the Corps may be, and for what it has done, must go to Col. Oveta Culp Hobby, who resigned recently as WAC director after having been in command since the earliest organizational stages. Anyone prepared to say—as nearly all Americans do say—that the WAC has done a splendid job, automatically says, at the same time, that Col. Hobby likewise has discharged, splendidly, the difficult task assigned to her.

The current Pennsylvania inspection period expires July 31, 1945. If you have not yet had your car inspected, do so at once. Avoid that last-minute rush of inspection stations.

Thirty thousand tons of food is consumed daily by our armed forces—and most of it is packed in tin. Think of that and of how much it's needed before you decide to throw those tin cans away.

### YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

1925  
Richard Dentler, of Tremont street, city, was the first prize winner in the picture coloring contest sponsored by Warren's two papers. Over 400 colored Indian pictures were received.

The addition to the post office is fast nearing completion, and interior work will soon be under way. Due to the large amount of mail that goes through the local office, the alterations were necessary.

The last car due from Jamestown was delayed this morning because the car hit a cow near Akeley. The carcass lodged between the car and tracks, necessitating a wrecking crew.

William Jennings Bryan, who passed away at Dayton, Tennessee, was scheduled to speak in Warren during the coming winter under the auspices of the Lutheran Brotherhood.

1935  
Recent rains, unlike many precipitations in recent years, have resulted in more good than harm to this season's crops, according to information from area farms.

Warren county commissioners are busily engaged in preparing for the primaries to be held in September. Due to the increasing amounts of candidates, the task will be much greater this year.

A very large crowd attended the Warren-Clarendon Old-Timers' game. Pitchers for Warren were Weaver and Van Marter, while for Clarendon, Nelson, Gould and Jeanerette did the hurling.

Chief of Police George Hahn stated today that local police are on the trail of a check-forgery who signs his name as Ray Raymond. These false checks have been passed all over western Pennsylvania.

School pupils enjoy a vacation during the summer months, but the administrative workers of the borough school district employ much of the summer season to the perfection of plans for the new school term.

Superintendent John G. Rossman has already announced the 1945-1946 term will begin Wednesday, September 5, with all district boundaries continuing and sessions in all grades remaining the same as last year. High school and Beauty buildings will again have the continuous session, pupils and teachers bringing their lunch or securing all or part of it in the school cafeterias.

All children who are or will become six years of age before February 1, 1946, may enter school on September 5. Those enrolled in June of this year need not register again. Those who have moved into the school district and enter Warren schools for the first time and those not continuing until June, 1945, must enroll. Pupils entering the high school from other high schools must submit credit records, and in elementary grades a copy of the last report card is necessary. A certificate of successful vaccination must also be presented at the time of enrollment.

All buildings will be open for enrollment on Tuesday morning, September 4, the hours to be from 9 a. m. until noon. At Beauty and high, principals will enroll new

## Progress On Arrangements For Benefit

Eddie Sullivan, reporting to Kiwanis Club members Wednesday on the progress of plans for the benefit old timers' baseball game with Jamestown at 3 p. m. August 4 at the State Hospital diamond, indicated fine headway being made on the scorecard advertising project.

Dr. LeRoy B. Campbell, internationally known lecturer and writer, was guest speaker for the meeting which followed luncheon at the Carver Hotel. He announced his topic as "Some Phases of the New World Order, or A Balanced Education." He pointed out the danger of putting too much emphasis on the "thing", educa-

## Dick Hartley Celebrates 90th Birthday on Saturday at Home

Youngsville, July 25—Richard Hartley well known Youngsville resident is celebrating his 90th birthday Saturday of this week, July 28th. He has just returned from a visit with his grandchildren and great-grandchildren in New York City. He is still able to get around as lively as men not more than half his age, and continues his habit of regular attendance at Sunday school.

He is particularly interested in Brokenstraw Grange and now proudly wears the State Pin denoting that he has been sixty years a Granger. Mr. Hartley has the best good wishes from many friends as he celebrates his 90th birthday. Mr. Hartley will be remembered in the county as a County Auditor for a number of terms as a Health Officer in Pittsburgh and Brokenstraw Townships.

**SUNDAY SCHOOL PICNIC**  
About four in the afternoon members of the United Brethren Sunday school will gather Friday afternoon, July 27th on Island Park for their annual picnic. A picnic supper will be served and an interesting sport program is planned. Guests are asked to bring tureen, silver and sugar. Coffee and cream will be served as well as ice cream for all. All members and friends are urged to attend.

**SHOWER PARTY**  
Mrs. Lennie Halfest entertained Monday evening at her home honoring Mrs. Jay Thompson. The guests enjoyed bridge. Pleasing refreshments were served and Mrs. Thompson received lovely gifts from all present.

**HEW FROM PACIFIC**  
Donald Barton, a pilot in the Pacific area flew to California from Siepan with a group of Air Corps Men who are to receive

specialized training in America for Pacific flying. Donald was also able to fly as far as Chicago and no wish home for a short time with his wife and family. It is particularly apt that he could get home at this time as his father is critically ill.

**YOUNGVILLE LOCALS**  
Mr. and Mrs. Glen Whaley from California are visiting their parents and other relatives and friends in town.  
Weekend guests of Mr. and Mrs. V. D. Smith were a son, Sgt. Ronald Smith from Fort Riley, Kansas and his wife from New York City and Mrs. Claudia Altenburg and son of Meadville.

## Rodeo Will Be Staged By Gerry Firemen Next Week

With more than seventy-five cowboys and cowgirls who will take part in the J.E. Ranch Rodeo which will be the big attraction at Gerry, N. Y., 6 miles north of Jamestown, N. Y. There will be a number of old time colorful characters, some of them dating back to the trail days of the cattle country.  
Col. Jim Estew, who will produce the rodeo and direct the arena will not old in the parlance of the range, yet he was a rodeo contestant thirty-five years ago, was an excellent bronc rider and a good roper. Charlie Aldridge, who will act as one of the judges of the contest, was a bronc

rider with an international reputation nearly forty years ago, and once came within an ace of riding the famous bucking horse of Cheyenne, "Steamboat". Charlie toured Europe with the Buffalo Bill Wildwest Show, and for several years was with the great cowboy humorist Will Rogers.  
Oklahoma Curley, another one of the judges of the rodeo, in his heyday was one of the greatest of rodeo contestants, three times

## Knights Will Have Outing With Families

The Knights of Columbus "family picnic" has been changed to a new location, the South Side playground, and will be held next Sunday, July 29.  
All members and their families are invited to the affair, which will get under way at two o'clock in the afternoon. A program of games and races will be provided for the children, as well as pop and refreshments distributed free. Each family should pack a basket for the lunch, for which the committee will provide coffee, cream and sugar. According to advance reports made by those handling the arrangements, a large crowd is anticipated for the event.

A number of local people are answering the call of attractive places along Chautauqua Lake. Miss Beth Higgins is now spending a vacation from Philadelphia Pharmacy School with her parents in Youngsville.  
Friends will be sorry to learn that our former resident, Prof. Bertrum Smith, who with his wife is living in Albuquerque, N. M., is in very poor health. Prof. Smith is a brother of V. D. Smith of Youngsville and Mrs. Mildred Munson of Irvine.

**HOME FROM FINDLEY LAKE**  
A number from Youngsville who have been attending this year's Bible School and Institute at Findley Lake Camp returned last Friday after spending a week or more in this interesting and helpful study. Those from Youngsville taking the course included Mrs. V. D. Smith, Stewart Smith, Miss Edna Mae Sullivan, and Miss Millie Welsh.

he won the title of World's Champion bronc rider, he is the original character "Curley" of J. R. Williams newspaper cartoons "Out Our Way". Fog Horn Clancy, master of ceremonies in this season spending his forty-seventh year in the rodeo game having started when but a kid of fifteen years of age back in stories and recently wrote the history of the American rodeo for the Encyclopedia Britannica.  
One of the oldest active contestants in rodeo, Irby Mundy, of Shamrock, Texas, will be seen in action with the rodeo here, he is the 1934 Rodeo Association of America World's Champion calf roper and despite the fact that he is nearing sixty is still one of the fastest ropers in the world, having made a record this season of 12.2 just one and two tenths seconds slower than the world's fastest record made in 1927 and never since equaled.

Along with these old time colorful characters there are scores of young and sensational cowboys and cowgirls who are pointing to the season's championship titles in bronc riding, wild steer wrestling and other daring sports of the rodeo.

There will be a midway at the rodeo and each day a braquead ox will be served to the crowd at noon and also in the evening. The affair is being held under the auspices of the Gerry Fire Department and will be held six nights and two matinees. The matinees will be held on Saturday and Sunday, July 31st to August 1st are the dates. Gerry is six miles north of Jamestown.

## M-Sgt. McDonald And Tampa Bride Honeymoon Here

M-Sgt. Robert M. McDonald, son of Mr. and Mrs. A. J. McDonald, 11 Bradley street, this city, and Miss Olive Walters, daughter of Edward Walters of Baltimore Md., married in Chapel Two at Drew Field, Tampa, Fla., at 5 p. m. Sunday, July 15, are spending a part of their honeymoon in Warren and will be honored this evening with a family party at the home of the bridegroom's parents.

The double ring ceremony uniting the couple was performed by Chaplain Charles Sullivan and was preceded by a program of organ music played by Cpl. Rene Dossogne, with Sgt. Charles Morrow as soloist.

The bride, who has been making her home with her sister, Mrs. Jack Paxton, in Tampa, was given in marriage by her brother-in-law, Mr. Paxton.

Her wedding dress was of heavy blue crepe, made simply and decorated only with a sunburst of pleats at the yoke. Her small navy hat was trimmed with flowers, her elbow length gloves were of pink and other accessories were white. She carried an orchid on her prayer book. Mrs. Paxton, as her sister's only attendant, chose a two-piece dress of dusty pink crepe, with which she wore tushia hat and gloves and remaining accessories of white. Sgt. Charles Gates was Sgt. McDonald's best man.

A reception at the Paxton home, 4502 Nebraska avenue, followed the ceremony, after which the couple left for Baltimore and Warren.

The bride, employed by the Tampa Electric Company for the past eight years, was honored guest for a number of functions prior to her marriage and received a great many gifts for her future home.

Sgt. McDonald will report to Camp Dix, N. J., July 28, for assignment to Sioux Falls, N. D., for screening tests. He spent 34 months in England with the 8th Air Force, his duties being those of technical armament inspector in the 44th Bombardment Group.

## KITCHEN SHOWER FOR GRAYCE JOLLEY

Mrs. Warren Bauer and Miss Edith Erickson, 7 West street, entertained at their home last evening with a kitchen shower which honored Miss Grayce Jolley, who will be a bride August 4.

Games and quiz questions provided fun for the evening. At a late hour a delicious two course lunch was served from a table centered with sweet peas and lighted by pastel green tapers in crystal holders.

The guest of honor was then summoned to the door to receive a large parcel post package addressed to "Stationery Avenue."

After the proper papers and paying the fee, she found the package to contain gifts from the Misses Ida McKinney, Alice Anderson, Nellie and Mayme Marsh, Martha Naitland, Viola Flowers and the hostess.

## WOMEN OF MOOSE HAVE FINE OUTING

About 50 members of Warren Chapter, Women of the Moose, held an enjoyable picnic yesterday afternoon and evening in the beautiful grove at J. J. Lauffer's home, 217 Parker street.

At 6:30 o'clock all sat down to a table well filled with good things to eat. A social time and games occupied the evening hours, guests expressing their appreciation to the hostess for a very pleasurable occasion.

## Women and Peace

"Women had better bestir themselves if they want the peace foundations laid at San Francisco to stick," says one of their leaders who attended the world security conference. She is Margaret Hickey, president of the National Federation of Business and Professional Women's Clubs and chairman of the women's advisory committee of the War Manpower Commission.

"This is no time to sit back and relax," she says. "We have the blueprint for a peace machinery, but not the reality. We have to make it hold together. And for all this women have a tremendous responsibility."

"History proves that what the people demand, they get. Peace will hold according to the force of public opinion. Women can do a great deal here through the education of their children, through discussion at their dinner parties and study in the home, and through lively community activities. Just consider what can be done at a series of good church suppers followed by round-table discussions and you will see the power women can wield for peace if they put their minds to it."

"People have a very fuzzy idea about peace. They think of it as a perfect state and it isn't going to be. In war it is just plain foolishness not to get along with your allies. But in peace we may not be so careful, and there is danger in that attitude. "Compromises are made through effort to understand the other fellow's country, his problems, rights and points of view. The other evening I talked to a soldier just back from Italy, who described it as a terrible country where no one talked English. I asked him if he had tried to learn Italian and he said 'Of course not!'"

"There are millions like him all over the world. To them the rest of the world is foreign and foreigners are always wrong. That point of view has to be changed completely if peace is to hold. And it is here that women can do an important work at home and in the community."

## NICHALINE MUCZYNSKI

Mrs. Nichaline Muczynski, aged 50 years, died on Wednesday at Pittsburgh after a long illness. Besides a son, Felix, with whom she resided in that city, she leaves a son, Paul, of Youngsville. Also surviving are nine grandchildren and two great-grandchildren.

Friends may call at the home of her son, Paul, in Youngsville any time on Friday and services in her memory will be conducted by Father Edward Jacobus at St. John's church in Tidouate at 10 a. m. Saturday. Interment will be made in the church cemetery.

STANLEY T. LEOPSKY

Funeral services in memory of Stanley T. Leopsky were held from St. Luke's church at Irvine Tuesday morning, Father Edward Jacobus singing the requiem high mass. Interment was made in St. Elizabeth's cemetery at Corry, with the following acting as bearers: Norman Taylor, Joseph Olsch, Tony Palanczy, Mike Fedorczuk, John Zolko and Frank Taylor.

Attending the rites from away was Frank Leopsky, of Buffalo, N. Y.

## Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 15 million of tiny tubules which help to purify the blood and keep you healthy. When they get tired and don't work right in the daytime, many people have to get up nights. Frequent urination with stinging and burning sometimes shows there is something wrong with your kidneys or bladder. Don't neglect this condition and lose valuable, restful sleep.

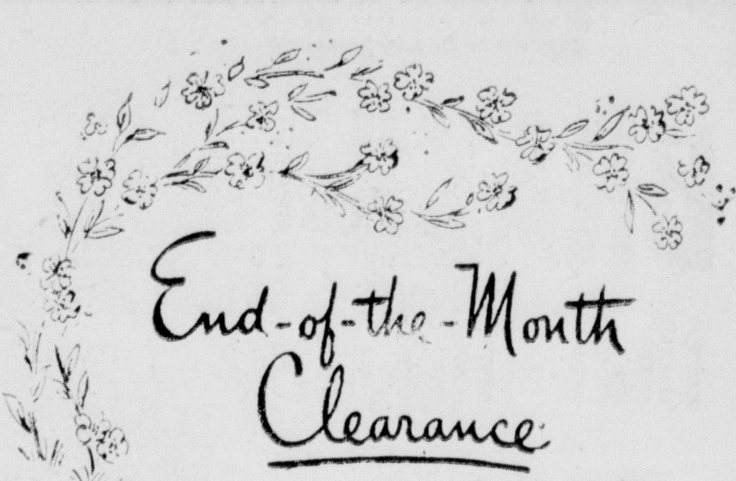

When disorder of kidney function permits poisonous matter to remain in your blood, it may also cause nagging headache, rheumatic twinges, loss of sex and energy, swelling, and it may be under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's gives happy relief and makes the kidneys flush out poisonous waste from your blood. Get Doan's Pills.

## Betty Lee Budget Basement Will Open Saturday Morning

Painters and decorators are now putting the finishing touches on the new basement store of the Betty Lee Shop. When completed the store room will be one of the most attractive to be found in the city.

Carpenters have been at work for some time past and made a great transformation. Electricians have also wired the store room making it bright and attractive with new fluorescent beams. Much of the lighting is of the indirect variety. A broad stairway leads from the main floor to the basement.

This will be an outstanding experiment in the merchandising of women's apparel. Bert Levinson, one of the partners in the store, stated yesterday that perhaps never before has "self service" of this type specialty store been tried. There will be a cashier, a wrapper and a stock-keeper in the basement store, but patrons will have access to all racks and can examine goods at their leisure. "It is so new," said Mr. Levinson, "that we feel the women of Warren, who have been most liberal in their patronage may find for a short time that they become confused by the large assortments to be stocked. However, we have arranged a system of marking of sizes and prices which all can find just what they want."

"We have decided to christen the new store 'The Betty Lee Budget Basement.' Careful figuring of costs and the elimination of a multitude of clerks will enable us to sell about 15% under the prices for the same quality of merchandise in other stores. We are an independent concern and have access to all of the latest style of offerings as by buying for one store we find that we can wangle dresses, coats, etc., in small quantities from a manufacturer who could not possibly have sufficient garments for a large buyer. However, our questing in the markets enables us to have large stocks on our shelves and racks at all times."

"There will be no cheap offerings. By that I mean the high styling that Warren women have always found at the Betty Lee will be maintained. There, however, must be less expensive materials in the garments sold at the smaller prices and we have decided not to shift any garments from the main store to the basement. We will feature coats, raincoats, dresses, silk and cottons and will have a fine line of house dresses at all times. Skirts will be shown in quantities as well as blouses, slacks and sweaters. It will be a most fastidious buyer who cannot make a selection."

Mr. Levinson has won a firm place in the hearts of women's wear buyers in the city by his fair dealing. Cash is always a requirement but a liberal "lay-away" plan has always been featured at the Betty Lee Store.

The opening of the Budget Basement will take place next Saturday and while there are dozens of cases of dresses, etc., to be unpacked, marked and put on racks late hours will see all in readiness and it is predicted that hundreds of women will await an opportunity to "self serve and save."

## WAKE UP YOUR DIGESTION BELOW THE BELT

Without Stomach Relievers  
To Get Happy Relief from Gassy, Bloating, Tight-around-the-Waist Misery You May Need This Kind of Laxative Help

When most food leaves the stomach, it is by no means fully digested. It is in the 28 feet, or more, of intestine, that the greater part of digestion is done. Among the vital digestive juices that work in the intestine, the liver bile is one of the most important—especially vital to the digestion of fats. Unless the liver bile flows sufficiently, digestion of fats slows down. Food decays in bowels. You may get constipated and feel full of gassy, bloated, indigestion misery. That's when you need Bechams Pils. They help get the bile flowing freely, which helps you digest and eliminate in Nature's happy way. Ask your druggist for gentle, all-vegetable Bechams Pils today. Caution: Use only as directed.

## N. Warren Hosses, Champing At Bit, Fairly R'arin' To Go

Back in the good old days at North Warren horses occupied a large place and Billy Witham had the trotters and pacers while Dick Jones usually had an assortment of heavy draft horses and a few adapted for buggies and some fine saddlers for sale. Horses at North Warren were just common, that's all.

And today there are descendants of the big boys that Dick Jones had and they are truly useful. Now they are engaged in war work

and Billy Witham and his racing stock are gone. However the big teams at North Warren are on the job and are being utilized in pick-up work for the salvage drives. They haul the big wagons that are loaded with rags, paper, etc., and do their work in fine style. The drive tomorrow will be a curb affair and everything is wanted with the exception of glass. So get the stuff to the curbs at North Warren and its area tomorrow and the hosses and wagons will be right along.

## Paper Drive Nets Three Solid Carloads of Salvage

Yesterday another paper drive to give to the men serving in the U. S. forces plenty of support was held in Warren county. Returns are still coming in from all parts of the county but this morning Chairman Wylie Corbett stated: "It was a hummer. We have over three carloads of paper waiting to be shipped and from every part of the county trucks are still bringing in paper. It was the greatest vacation time drive we have ever staged. The residents of the county are thoroughly awakened to the need for salvage of paper to aid the fighting men."

There are so many uses for the waste paper that every scrap must be saved. One truck yesterday, after working along Conewango avenue, came in loaded with over four tons, due to the careful preparation the people had given the waste."

It is figured by the committee that the Salvation Army will receive more than \$400 as the result of the drive over the county. The Army will spend the money for the soldier boys and the affair was sort of double-barreled, as the paper is so useful and then the Army will take the money and turn it into doughnuts and coffee.

The drive was splendidly organized and Mr. Corbett extends his thanks to the press and radio. There were also five men on each truck and the city trucks and men were directed by E. T. Beck, who also acted as generalissimo for the handling of the trucks. Trucks were also donated by the Warren Disposal Company, Salvation Army trucks and men directed by Adj. Brandenburg, Warren County Dairy Association, Motor Light-

## Majors Asleep as Reds Buy Bowman for \$7,500 Waiver Price; Play Resumes Today

By JACK HAND

Associated Press Sports Writer

Prize sleeper play of the baseball season appears to be the sleight-of-hand trick by which Cincinnati acquired Joe Bowman from the Boston Red Sox for the nominal \$7,500 waiver fee.

Stories about the Mort Cooper-Charley Barrett-Buddy Rosar-Frankie Hayes and Joe Medwick-Glyde Klutz deals have hit the headlines, but Bowman's moving day was buried with the Pony League scores and the British football results.

The 35-year-old righthander has been pitching since 1923 and has seen action with both Philadelphia clubs and Pittsburgh before the Red Sox brought him back from the minors last year. This spring in Boston he was knocked out three times running, losing two decisions before Manager Joe Cronin and the other skippers craved him out of the circuit May 29.

Once Bowman arrived in Cincinnati, whether it was the handling of Billy Bill McKee or the change of scenery in a new league, he became a ball of fire. Nobody

beat him in five outings until the Phillies did the trick July 1. In 10 starting appearances to date, the veteran has won 8, lost 2 and gone the route eight times, making more than one fan wonder how he was slumped out of the American League.

As some of the majors went back to work today after a one-day vacation on which no games were scheduled, the files were still incomplete on the Cooper-Barrett swap that caused so much talk. Brother Mort, still troubled by a sore arm, has started only once in a month for Boston and was on record as saying he would be able to take only short turns the rest of the season pending a winter operation. Barrett was knocked out of the box two times running by Brooklyn, but he compiled a 10-4 record in St. Louis and 12-7 for the year.

Neither Hayes nor Rosar were exciting any commotion in the junior circuit race, although Frankie Still was in and out of the A's lineup and below 200 in the batting derby.

There is no debate about the swap that worked out best for one of the principals involved. That's the one that sent Ben Chapman from Brooklyn to the Phillies for catcher Johnny Peacock. Ben wound up becoming manager of the Phils when Freddy Fitzsimmons resigned.

## Behind the Lines

"Pike" Peterson, at one time the most outstanding pitcher around this section, relates the story of a game played at Norfolk, Virginia, years ago. "Pike's" opponents were plating the ball all over the lot and he couldn't stop anyone from connecting with it. "Well," he goes on, "I looked around to see whether or not my fielders were out there or to find out just what was the matter. The centerfielder saw me turn around and motioned me to hold up the game. In he came, sauntering as if he was so tired he could hardly walk. With a look of utter disgust on his red-hot face he said, 'Hey, Pike, walk a couple of men so I can rest up a minute, will you?'"

The tale brings to mind to some of the older fans about the time when the late "Uncle George" Metzger was station agent for the Pennsy. He was a great Pittsburgh fan, and when the smoky city-bound train was about to leave, George would call out: "Train for Tidoute! Tidoute, Oil City, Franklin, and Pittsburgh 4, St. Louis 3."

A brief altercation has arisen relative to the decision last Sunday at Wilder Field when Pinchot stole home with the second run and was called safe on a charge of interference. As was stated in Tuesday's column, we presented the ruling from the 1945 Rule Book. According to some, the umpire's decision was not interference, but a catcher's balk. Therefore, the runner would have been out because there is no ruling against such a play. The main topic now seems to be just whether or not it was interference or a balk. Anyway, the game's over and the umpire's decision stands good.

Don't forget to buy those tickets to the Warren-Jamestown Old-Timers' fracas at the State Hospital, Saturday, August 4. The entire proceeds will go toward the benefit of Warren county's crippled children. All who intend to participate in the affair should contact Joe Gardner, Myron Jewell, Pikey Wright, or Paddy Jackson.

## Nelson, Hogan Big Guns In Tam O'Shanter

By L. E. SKELEY

Chicago, July 26. (AP)—The boys went after golf's \$30,000 "hot of gold" at Tam O'Shanter today. And Promoter George May was confident that records would fall in the four-day hunt for the \$10,200 (War Bond cash value), first prize in the All-American Open in which 139 of the country's top players, including 128 professionals, were entered.

The present record for the 72-hole stretch is 278 but May said he believed it would take a 277 to win this year.

"We're moving up the tees the first two days to encourage scoring," May disclosed.

The founder of golf's richest competitive attractions, which include the All-American women's and the All-American amateur affairs in conjunction with the money-lamned open, was strictly neutral concerning the probable winner.

As the field teed off on the first 18 holes today the consensus seemed to be that the firing would develop into a personal duel between the two local boys, Nelson, who has won the Tam three times in its four-year history, and Lt. Ben Hogan, on furlough from the army, Air Force.

Hogan tied the course record with a blazing 65 earlier this week but he philosophically dismissed that performance with "you get those kind of rounds in practice."

## INDIES GAME CANCELLED

Because of poor weather conditions, the scheduled game between the Warren Independent and Pleasantville last night at Pleasantville was cancelled.

## Sylvania and Struthers Girls Battle at Beauty

Girls' mushball renews itself again tonight at 6:15 on Beauty Field with the Struthers and Sylvania feds going at it tooth-and-nail. The Sylvania rate as the favorite tonight, resulting from a 14-8 victory over Thomas Coupling Tuesday night.

The men's softball resumes also the league-leading St. Joseph's combine going to Cory's Leveland Field for a twilight encounter.

Barriers should be washed after each day or two or wear to make them last longer and fit better.

## "YES MAN"

My name is Dorothy Baker. I'm the "Yes Man" at Personal Finance Co. . . that is—I'm the one who likes to say "Yes" to requests for Personal loans.

You see—I'm the manager of our office—the one who's responsible for building up our business. The more times I say "Yes" to requests for loans—the more business we do. And since making Personal Loans of \$25 to \$250 or more is our ONLY business—that's mighty important to me.

Therefore, if you need extra cash at any time—whether a little for a short time or a lot for a long time—you can depend on my doing my best to say "yes" to you.

Next time you can use a loan give me a chance to say "Yes"—won't you? I'll consider it a favor. See me at Personal Finance Co., 216 Liberty St., second floor, over Lester Shoe Store. Phone 285.

Work on Super Fortress engines was curtailed in six plants today as labor disputes kept more than 30,000 workers away from their jobs.

A fast spreading strike at the huge Dodge Chicago plant of the Chrysler Corp. The world's largest airplane engine factory, idled an estimated 10,400 workers.

In Five New Jersey plants of the Wright Aeronautical Corporation, production of B-29 engines for the Super Fortresses was reported at a virtual standstill as an estimated 20,000 employees continued their work stoppage. The plants were in Wood-Ridge, Paterson and East Paterson.

The Dodge Chicago strike was described in a company statement as "carefully organized."

Harold S. Pierce, son of Mr. and Mrs. Archie Pierce, 709 Lexington avenue, returned today to his station at Seattle, Wash., after a brief furlough home.

Mr. and Mrs. Richard Mahaffey, of Russell, has arrived from Indianapolis for a furlough with family and friends before reporting for reassignment.

## Tank Explodes Injuring Driver

Victor Anderson, 113 Grant street, is in Warren General Hospital with multiple injuries as the result of an accident which occurred Wednesday afternoon at the Sherwood Refining Company plant.

Examination at the hospital revealed he had received a compound fracture of the left leg, injuries to his left foot and his back, his right thumb and his jaw.

At the hospital this afternoon it was stated his condition is as good as can be expected under the circumstances and that he may be taken to Erie for care by Dr. Arthur G. Davis.

**BULLETIN**  
London, July 26.—(A)—The press secretary at No. 10 Downing Street said several hours after the results of the election became known that Prime Minister Churchill had no statement to make immediately. The secretary "couldn't say" if Churchill would return to Potsdam.

L. S. Amery, secretary of state for the first time as prime minister, Churchill made this classic promise: "I have nothing to offer but blood, toil, sweat and tears." He was a symbol of British determination.

Later on June 4, as the last exhausted remnant of the British army landed in England from Dunkerque's beaches, Churchill declared:

"We shall defend our island whatever the cost may be. We shall fight on the beaches, we shall fight on the landing grounds, we shall fight in the fields and in the streets, we shall fight in the hills, we shall never surrender."

terday. But a partial return of the day's work showed 39 more Japanese planes destroyed or damaged.

In announcing this toll Admiral Nimitz made no mention of another naval bombardment due south of Tokyo on the approaches to Tokyo bay. Japanese reported the attack yesterday.

Carrier sweeps were augmented by a land-based craft reaching from southern Kyushu Islands to Tokyo bay.

A new island invasion which would carry Allied Forces half way from Rangoon to Singapore was reported in an unconfirmed Tokyo broadcast. A reconnaissance force of 500 amphibious troops was said to have landed yesterday on Puckett Island, 625 miles north of the Singapore naval base on the west coast of the Malay Peninsula, under cover of a bombardment by two cruisers.

Tokyo said they were driven off. In the sea-saw China battles, Generalissimo Chiang Kai-shek's forces recaptured Nanyang, 155 miles northeast of Canton. It is a former base for the U. S. 14th Air Force and a shipping point for the recaptured Wolfram mining area. Chungking dispatches said China could now resume the movement of Wolfram to U. S. steel mills.

nation-wide radio report to the American people when he returns to Washington at the end of the conference.

The Big Three met yesterday for the ninth successive day and it was presumed that the war against the Japanese was still a major topic of discussion.

(In London it was disclosed that Adm. Lord Louis Mountbatten, supreme commander of the South-east Asia Command, had participated in the Potsdam conferences.)

Attlee, who was deputy prime minister in the wartime coalition government and who probably would become prime minister if the Laborites take a working majority of the seats in commons.

Ernest Davies, Labor minister in the wartime coalition.

Herbert Morrison, home secretary in the coalition.

Brendan Bracken, red-haired, sharp-tongued first lord of the admiralty and confidante of Prime Minister Churchill, who served as minister of information in the wartime coalition government, was defeated by Lt. Gen. Sir Frank Mason MacFarlane by a vote of 16,530 to 10,093. He ran in London's North Paddington district, which sent a Conservative to Commons in the last general election a decade ago by a margin of more than 7,000 votes.

The two other Conservative members of the cabinet defeated by Laborites were Sir Walter Womersley, minister of pensions, and Harold MacMillan, air minister.

Leonard Stennet Amery, secretary of state for India, was defeated in his constituency.

Leslie Hore-Belisha, Independent, former minister of war and present minister of national insurance, was defeated by his Labor opponent, Michael Foot, by 2,013 votes.

The seat once occupied by American-born Lady Astor, Conservative, who did not run in this election, also was taken by a Labor candidate.

Attorney General Sir David Maxwell Fife, Conservative and Britain's chief prosecutor of German war criminals, was re-elected. So was Quinton Hogg, Conservative, parliamentary undersecretary for the air ministry.

**Disputes Keeping 30,000 Off Jobs**  
By the Associated Press

Work on Super Fortress engines was curtailed in six plants today as labor disputes kept more than 30,000 workers away from their jobs.

A fast spreading strike at the huge Dodge Chicago plant of the Chrysler Corp. The world's largest airplane engine factory, idled an estimated 10,400 workers.

## Liberal Surges Strongly To Left and Calls Labor Party To Lead the Nation

(From Page One)

A Hancock 27,688 to 10,488 in his personal race in the Woodford constituency.

There was no halfway trend in the election pendulum. Many Conservatives had counted upon the Liberal Party, which stands midway between the two major parties, splitting the Labor vote. But the Liberal Party returned few members and several leaders were defeated. Among them were Sir William Beveridge, father of the "cradle to the grave" security plan, and Sir Archibald Sinclair, air minister.

The normal procedure, now that Churchill has been defeated, would be for him to call upon the king and tender his resignation as prime minister.

The king would call upon Attlee to form a new government. Attlee's new government then would be presented to parliament for a vote of confidence when parliament convenes Aug. 8.

Among the early casualties were the prime minister's son, Maj. Kenneth Churchill, and Minister of Works Duncan Sandys, Churchill's son-in-law.

The defeated also included: Minister of War Sir James Grigg.

Minister of Education Richard K. Law.

It was in the Second World War that Churchill scaled the heights. He had regained his old post as first lord of the admiralty, which he had resigned in World War I after the Gallipoli debacle. Moving up from that post he succeeded Neville Chamberlain as prime minister on May 10, 1940, the day Germany invaded France and the Low countries.

When he faced commons for the first time as prime minister, Churchill made this classic promise: "I have nothing to offer but blood, toil, sweat and tears." He was a symbol of British determination.

"How far from  
the end are you?"

"Every day more and more cars reach the end of the rope. Of course you don't know just how many miles are left in your car... But you do know you'll get less if you neglect it... and more if you give it care. Right now, in hot weather, care means good fresh summer-grade Esso Motor Oil... correct summer-protective lubrication... extra careful watch on battery and tires... Maybe you're nearer the end of your rope than you think. Let your Esso Dealer help you NOW to be sure of more miles of service later on!"

## Camp Birdsall Edey News

By Ruffles, Substitute Camp Mascot

Tippy has asked me to write for her tonight. She is feeling quite weak from a recent accident but she hopes to be back with you soon. You remember that when we started to go up to the tent unit, we were warned about weasels and foxes. We didn't take the warning seriously and the moon was so bright the other night that we slipped out when no one was looking.

It was warm and lovely and we started to go down in the field to hunt for mice. Tippy says that as she went by the playhouse a long brown kitten came out. She wanted to play. He played roughly and bit her throat. The next thing she remembers, she was lying on the ground and feeling sick. She still has the wound in her throat but Rachel is feeding her well and her nose is getting pink again.

A new group has come in since you heard from us. It is the biggest group that we have ever had in camp at one time. There are 64 girls with 1 more expected on Tuesday.

Johnny (Carol Carr) has moved from the tent unit to Fawn Cabin so that Happy (Mabelle Myers) can take charge of handicraft. Tux writes that Mrs. Cumming is not feeling well enough to come back to us. We are sorry about her but the camp is much safer from kit-

tens without the black dog. We are even safe from weasels in the daytime.

The new campers settled down as though they had been in camp a week. I wish you could see them now. As I sit on the front porch of Homestead, I can see Forty teaching about twelve girls how to use the archery bows. A big group of about thirty girls is in the playhouse with Tommy preparing a play. Down at the Staff House, Major is with a group of girls who are studying home nursing, in the living room of Homestead, some of the older girls are playing the whole Grand Canyon Suite on the victrola. In a few minutes everyone will be going down to the daisy meadow for campfire. Each unit will have 4 favorite songs to suggest. That will end the first full day of this camp session.

I am glad to know what August 4th means because I hear a lot of talk about it. The girls who are here now will all be in on the planning and they are thinking now of all the fun that they want their parents and friends to share with them.

Mr. Hatch is going to be the first one that I invite. He brought us to the camp in the first place and I am sure I don't know what they would do without us.

All swimmers were checked today to see whether or not they are ready to take the canoe swimming test. All the tent unit and Merry-men may take the test as soon as they are ready. Crickets who have their swimmer's badge may take it, too. Abby expects to have a big group at the pool at 10 o'clock tomorrow, for the test.

Mrs. Sperry is my favorite cook. Tippy is partial to Rachel Jones but I know that I am going to be happy when Mrs. Sperry takes me home with her after camp is over. After all, Rachel may bring the food to us, but Mrs. Sperry cooks it. Thirteen pounds of spaghetti was cooked for dinner tonight and I heard Mrs. Sperry say that a couple of quarts were left. These girls must have met a weasel, too. Several of the campers can play the piano so well that we kittens lie on the porch of Homestead and listen quietly. We like to hear Leslie Israel play because she seems to like to make music. Sometimes the girls just play chopsticks and that hurts my ears.

Now the girls are leaving the Playhouse for campfire. The tent unit has laid the fire. If I sit up on the porch railing, I can see the fire and hear them sing. When they sing Little Sir Echo, they think it is an echo that answers them but Tippy and I know the truth about it.

By 1883 more than 5,000 buffalo hunters were on the plains, shooting Buffalo as fast as they could.

### Sgt. Rupczyk Is Recipient Of Silver Star

Mr. and Mrs. John Rupczyk, Sr., of Pittsfield, have received a fine communication from army headquarters in France concerning their son, S/Sgt. John Rupczyk, Jr., now stationed in France.

S/Sgt. Rupczyk has been awarded the Silver Star Medal for gallantry in action, his citation reading:

"S/Sgt. John Rupczyk, Jr., 33-435-496, 517th Parachute Infantry, U. S. A. for gallantry in action at Manhay, Belgium, 27 December 1944. When a heavy concentration of supporting artillery fire fell short and into his company, causing casualties and confusion, Sergeant Rupczyk, although himself wounded, quickly organized his squad and moved forward to the objective. When forced to take cover by an enemy machine gun, he single handedly silenced the weapon and killed three of the enemy. Sergeant Rupczyk led his squad through the town, captured or killed all the enemy in his sector, and then placed his squad in a defensive position on the opposite side of the town. Only after this action and after checking with his flank units to make sure that the line was completely held, did he allow himself to be given medical aid. His actions were in keeping with the highest traditions of the United States Army."

S/Sgt. Rupczyk has been overseas since February, 1944, and also has the Purple Heart for wounds received in action.

### Cpl. Wooster Is Assigned To Peace Patrol

It is learned today from headquarters of the 15th AAF in Italy that Cpl. Charles A. Wooster, 23, son of Mrs. Mary E. Nelson, 171 1/2 Cedar street has been assigned to the occupational air force in Europe as a member of the 99th Bombardment Group, 346th Bombardment Squadron, a veteran B-17 unit of the 15th.

Cpl. Wooster has served 19 months overseas as a supply clerk. The 99th Group is now assigned the task of maintaining the peace of Europe after assisting in winning the victory. During its more than 26 months of action in Africa and Italy, the group participated in 393 successful bombing missions against enemy targets. More than 5,000,000 pounds of bombs were dropped on enemy installations in Africa, Sicily, Italy, Germany, Austria, Hungary, Rumania, Greece, Yugoslavia and Czechoslovakia.

The Distinguished Unit Citation was awarded the group for outstanding performance of a mission on July 5, 1943, against a Nazi airfield at Gerbini, Sicily, and a cluster was added following the group's blasting of an important enemy target at Wiener-Neustadt, Austria, April 23, 1944, against heavy opposition of Jerry fighters and anti-aircraft fire.

ELMER E. SPRINGER  
HONORABLY DISCHARGED  
Elmer E. Springer, 15 South South street, who has been overseas for the past year, has been honorably discharged from the service and has accepted a position as apprentice to a public accountant in Cleveland, O.

Lt. John Logan, stationed at Fort Belvoir, Va., is spending a leave with his mother, Mrs. Elizabeth Logan, 410 East street.

## Loyal Briggs In China AACs

Many relatives and friends of Loyal K. Briggs will read with interest the following communication from army headquarters in the China theatre:

S/Sgt. Loyal K. Briggs, of Russell, is a China AACs radio operator. China AACs—Army Airways Communications System—is the organization responsible for the safety of aircraft flying China skyways.

Briggs is an expert radio operator, one of the best in the business, and his contribution to the safety of the aircraft and airmen negotiating the "Hump" of the Himalayas is very considerable although incalculable.

In civil life, Briggs was a health teacher at Tionesta High School. He's a fine athlete, and his ability contributed to the enviable position of China AACs in athletics—champs in both basketball and baseball.

In his two years in China, Briggs has acquired the Good Conduct Medal and two bronze stars for his Asiatic-Pacific theatre ribbon. If there were an award for untiring, able contribution to morale-building athletics, Briggs should have it.
